Sir,

With reference to my previous letters addressed to your Honor as well as to His Highness the Maharaja praying for some favorable consideration of my hard and pitiable case I beg most respectfully to lay my case once more before your Honor for your Honor's reconsideration and orders.

Your Honor is a renowned and illustrious Dewan Bahadur of Mysore Government, I know with certainty that, under the present administration of your Honor I may now be permitted to state my present grievances in order for your Honor's deliberate judgment, good justice, and gracious consideration.

Having

Having mentioned in detail in my former representations thus far, in a high road of matter of fact I am in a state of difficulties and privation owing to the heavy loss of Rs Twenty Thousand on account of my speculation a Coal Contract as well as of a sad of my Government service which ruin me ruin for ever- I made several applications to the Durbar of Mysore Govern for some monthly pecuniary help from the Charity Fund Trust with a view of staying in the holy place of Hindus in Benares- It was certainly refused by Local high officers I believe, that this case did not reach His Highness for orders. It is of very trifling in for the Government of Mysore to help a poor Bengali Brahmin as well as an old Government servant in any

I have a two years correspondence and the local officers are well aware of my case. As far as the probability of argument extends, I may safely say it is a pious and religious act of the Government of Mysore. I am in anxiety and distress, I have no adequate means for the present to meet my expenses in Benares, I feel a spark of shame kindling in my breast, I therefore solicit the favor of your Honor to take part in this matter and in all probability your Honor's gracious kindness will be pleased to pass orders on this subject.

On the other hand. If there is any establishment in Benares relating to the Lucknow of Mysore Government your Honor may be pleased to appoint me with any post of His Highness. If the

Lordship is unable to favor me with some monthly help The Lordship may be pleased to favor me with some handsome donn. which will be a material help to me my going to Banares

Calcutta, dated the 24th July 1907

May it please your Honor.

With reference to my humble representation addressed to your Honor on the 18th instant, on the subject of my old and rotten case. It was not any fresh prayer, in any shape or form to the Government of Mysore. It was a case for any reconsideration of the decision in regard to my monthly pecuniary helps of my staying in Benares from the Charity Fund Trust by the Government of Mysore I beg to request your Honor to be placed before the Council in Meeting for favorable reconsideration and orders.

2. I think as of the present, the prayers are more detestable than the expressions are mean and illiberal on the part of the respectable gentleman like me. It was owing to the unfavorable circumstances over which it has no control. I appeal to your Honor to place my steady reliance as a protest against the decision by the local officers. I know that your Honor may be the fittest means to carry a particular point in Council. I believe

believe there is every prospect of gaining for any real permanent good.

3. I do therefore with the greatest humility and submission most earnestly supplicate your Honor's coonted kindness and generosity that you will be graciously pleased to pass the necessary orders on this subject.

4. It would be an act of piety and religious deeds on the part of a respectable Brahmin as well as of an old Government servant, who is in need of help owing to the sad loss of my Government service and with a heavy loss of amount for my speculation I therefore request your Honor will be pleased to reconsider and withdraw the orders that have been passed by the local officers.

5. The path of truth and virtue, you would find more easy and honourable. If the Lieutenant is unable to help me per month. The Lieutenant be pleased to favor me with some handsome donation to meet with my expenses for my going to Benares.

May the blessings of God abide over Your Honor in the enjoyment of sound health longevity and the perfect peace of the mind

Sir,

Calcutta, dated the 4th August 190

In obedience to the orders passed by the Offg Secretary General and Revenue Department. I have the honor to state for your kind information that I was a Government servant for long standing but without a pension. and was personally known to His Highness the late Maharaja when he was in Calcutta. It is, however, pointed out in my last letters in detail in connection with the Mysore Government. The most unsatisfactory feature of the time was the sudden death of His Highness the late Maharaja, which was happened in Calcutta I regret to state that I sustained a heavy loss on account for my speculation which enable me again for ever. With the kind permission of Sir, J.H. Bourdillon C.S.I. who was a resident of Mysore it is necessary to state that the said officer was our Chief Secretary to the Government of Bengal His Honor advised me to apply to the Government of Mysore for some pecuniary help for my young to lessen or account of my mental pain. I addressed several letters to the higher authorities of Mysore Government as well as to His Highness the Maharaja

were not pleased with a view to taking

am sorry to say that I received the last reply

With reference to my humble representation addressed to your Honor on the 4th instant, together with a original Letter from the Offg Secretary to General and Revenue Department praying for some favorable consideration on the subject of some pecuniary helps from the pious and benign Government of Mysore. Your Honor very well that it is an old and rotten case which is pending for a long time. I welcome that your Honor is alone as an authority in this matter which is to give me with every assistance As a matter of fact, the higher officials of Mysore Government are well aware of my case. They were pleased to refer my case for your Honor's kind consideration While the higher officials were thus dealt with my case, fresh Letter was received from the Offg Secretary General and Revenue Department in the shape of a recommendation in this case I am at a loss to understand the cause of delay of sending the pecuniary helps by post to my address. I have already communicated some dozens of letters on this subject It is

necessary

necessary for your Honor to show your sympathy and kindness on the part of this respectable Bengali Brahmin, who is an object of sympathy for the present. When this matter is at your disposal you ought not to trouble me with unnecessary delay on the ground to solicit assistance by the Government of Mysore. I have already requested the Private Secretary to His Highness to issue orders from His Highness in connection with my case I am led to believe that your Honor will be pleased to comply with my request as soon as practicable

This is my last letter to your Honor to an authority like your Honor I need hardly say that you have no mind to help me in a sense it is a private gift of the Government at large I commend it therefore to your practical sympathy which will be taken in this matter. For this act of your Honor's kindness I shall ever pray.

Honoured Sir,

It is with profound sorrow and grief to represent any painful and hard case before Your Honor as a highest authority of Mysore Government the entire proceedings in connection with my case, are of long correspondence which passed on the part of the higher officials in the Government of Mysore. It has to be dealt with in the spirit of true sympathy in the acts and measures of the Government. There is one very notable inconsistency in the letter of the Secretary in the Muzrai Department. He advised me to drop the matter at once for the present in the tone of his letter. I regret very much that it will not be possible for me to accept his suggestion As I have already requested His Highness the Maharaja by the helps of recommendation by the Honble. Sir J.A. Bourdillon C.I.E. I.C.S. the late Resident of Mysore who was our Chief Secretary to the Government of Bengal He was very kind to me. Since then the correspondence is going on in volume and intensity on this subject I need only pray that his intention is to disappoint me in any way in my long correspondence for upwards of four years. Sir,

In continuation of my previous applications addressed to His Highness the Maharaja praying for the favourable consideration of my prayer for some pecuniary assistance or of some monthly help in connection with my maintenance in Benares which was probably brought about by importunity of mine. With respect to my prayer your Honour is always at perfect liberty to dispose of this case according to your own discretion. It is a well known fact that my prayer is more essential to the attainment of perfection on the part of a Bengalee respectable Brahmin Gentleman who is in need of help for my various misfortunes. As my prayer is an old and rotten case which deserves of some consideration by your Honour. It is to a wonderful degree of my misfortune to my constant disappointment which is to the extreme agony of man of the high proficiency like me. I am unfortunate enough as not to gain your Honor's favor and kindness in this matter. It is therefore, useful and necessary to take my pitiable case into your Honour's favourable consideration. The matter entirely rests with your Honour I am well-known to the Chief officers of Mysore Government. They will be highly pleased if your Honour be kind enough to consider my case which is just

and

and proper. I therefore request the favour of your Honour to do the needful. Your Honour may be so kind as to favour me with this particular individual benefit which will be long remembered indeed as long as I exist in this world. At such a time as this, it is the duty of your Honour to move my case with a full sense of justice and kindness I -- earnestly appeal to your Honour with my best thanks I know that the Government of Mysore have an immense charity of this kind which is about to adopt.
